A message from our president...

September 2019

The High Holy days are approaching quickly, and we pray asking Hashem to be what we want to be and provide all that is necessary for us to live the way we desire.

The whole spirit of Rosh HaShanah and the ten days of Repentance are one of seriousness and solemnity. The soundness of the Shofar is to awaken those who have drowned in their duties and have forgotten how

Hashem keeps a constant watch over us.

We need to embrace the members of our extended community in our prayers and thoughts in these difficult times. We must remember and come together for the High holidays and be thankful for the wonderful things we have in our lives.

We should be thankful for our health, happiness and immediate and extended families, our gifts from Hashem and all the things we take for granted. We need to take more time to dwell on the positive aspects in the world around us, rather than get bogged down in the negativity that tries to envelope us. We need to spread more love and compassion during the forthcoming High Holidays.

On a personal note...

I want to thank Hashem for all He has given me, especially the support of the BTM Community, which has allowed me to serve once again as your president.

On behalf of the Board of Trustees, may we wish you and your families good health and happiness in the coming year.

Dr. Robert Shore

President

This is a sad day in the history of the Jewish people. In Germany on the night of the 9th November, 1938, the windows of many synagogues as well as the windows of many Jewish homes and businesses were broken. It was a harbinger of one of the most terrible events in human history, The Holocaust. Fifteen million voices were silenced; six million of those were Jewish voices. We light a memorial candle on this night to remind us of what happened and to strengthen our resolve that we should never forget and this should never happen again. As a community, please turn on your porch light at dusk until November 10th. Your Sisterhood has memorial candles available. Please contact Mary Potter if you would like a candle. Donations are appreciated.

Please refrain from talking and greeting friends during services.
